

Mushroom Production Workshop

Dr. Mike Davis, Extension Plant Pathologist from UC Davis, will present a 3-hour workshop on growing specialty mushrooms for fun and profit on Feb. 24, 2004, from 6:00 - 9:00 p.m. in Tulare. Shiitake, oyster, and several other specialty mushrooms will be covered. Participants will learn techniques for producing spawn, sterilizing substrates, maintaining correct humidity and temperature, and getting mushrooms to form.

The class will cost \$25.00, which will include a shiitake bag for each participant. **Make checks payable to UC Regents.** Pre-registration is required by Feb 17, 2004. Space is limited and registration will be closed once the class is filled. For more information, please call the Tulare County office of U.C. Cooperative Extension at 685-3303.
