Parlier CA 93648

Directions to the UC Westside Field Station

The meeting is at the UC Westside Field Station (not Kearney). Take Highway 198 west to the four way stop at 198 and Lassen. Turn right (north) on Lassen and continue for about 6 miles to Oakland. Turn left on Oakland. The station will be on the left hand side. It takes roughly 1 hour from Visalia to the West Side Field Station.
