Tulare Silage Corn Variety Trial – “Open House”

September 6, 2000 * 9 am to 11 am

The trial is located on the south side of Avenue 232 between Rd 36 and 44 (look for the sign). Turn south on the field road on the west side of the corn. Drop by to see the 15 corn varieties in the annual county trial. Varieties will be labeled with signs. No formal program is planned but I will be taking some final data on that morning and will be available for questions. Corn company representatives may also be present.

Kings Silage Corn Variety Trial – “Open House”

September 20, 2000 * 9 am to 11 am

The trial is located in the northeast corner of the intersection of Highway 198 and 1 1/2 Avenue. Kings County Farm Advisor Carol Collar will be at the trial with plot plans and to answer questions.
